SIR,

Re-organisation of the Weaving Institute.

In continuation of my letter No.D2.433/34-35 dated 16/19th August 1935 submitting proposals for the re-organisation of the Weaving Institute, I have the honour to state that the Weaving Inspector reported that the services of a Designs Assistant were urgently required to prepare charts and designs for patterns and spray painting and urged for the appointment of a Designs Assistant in the Institute early. I had proposed to fill up this post by the absorption of Mohamad Ali one of the thrownout General Education Teachers (Vide G.O.No. D 2/68-70/Dte 61-35-3 dated 30th September 1935) and transfer him to the Institute. He reported himself for duty at the Weaving Institute on the afternoon of the 16th September 1935. I request you to kindly obtain the sanction of Government to the appointment of the Designs Assistant on Rs 30-2½-50 from 17-9-1935 pending final orders on the re-organisation of the Weaving Institute.

Letter No E, 1020/27-25 d 4.5-

Submits proposals for the sale of the plant seized by the Director for default by the K. Sanjiviah in repaying the loan granted & states that he will submit further proposals for writing off the irrecoverable portion of the loan.

(1) The facts of the case are given in detail in the P. V. D. The Director proposes to accept the offer of Mr Hajee Sadudeen to pay Rs 3600 for the seized plant, subject to certain concessions, viz payment of 1000 now & the balance (2600) in 5 annual instalments with 6% interest & on the security of certain additional plant (Rope making plant) & the buildings for housing the present plant. The Superintending Engineer considers the security as sufficient.

(2) The Director's letter does not give details regarding the loan account as to how much is still due from the loan holder. If approved the Comptroller will be requested expediting to furnish these figures.

But Mr Anantharamaiah who has offered a sum of Rs 3500 for the plant is prepared to pay the amount in cash it might be worth while to accept his offer - It may kindly be considered.

(6) This is a case in which a large sum of Rs 12,344 was sanctioned merely on the security of the machinery purchased and without insisting on additional collateral or other security, even though the applicant's cheque for the preliminary deposit money was dishonoured by the Bank once, and he had defaulted even in the payment of the deposit money. The machinery which was purchased

for Rs 12,344 is now proposed to be sold for Rs 3,600 and the proposal is to recover the amount in annual instalments. As stated by the Development Secretary it is better to sell it to a person who is willing to to pay the entire price in cash in one lump. If this is not possible and the present offer is accepted, I would ~~suggest~~ state that five annual instalments for repaying the balance of Rs 2,600 appears to be unduly long and the recovery may be in monthly instalments of Rs 100 with interest.

(7) Past experience shows that it is undesirable to grant loans merely on the security of machinery and this should be kept in view in granting loans in future.

(8) I think all possible steps have to be taken to recover the balance of loan due from Mr. Niligiri Sanjeeviah, by proceeding against his properties, if any.

OFFICE OF THE DIRECTOR,

Dated Bangalore, 4th May 1935.

FROM S. Abdul Wajid, Esq., B.A.;
~~Axxxxx Bxxx

His offer to buy the plant is subject to the following conditions as indicated in his letter dated 22-4-1935 (copy enclosed).

1. That he will deposit a further sum of Rs.800/- towards the value of the plant after his offer is accepted.

2. That he will pay Rs.2,600/- the balance of the sale price, in 5 annual instalments with 6% interest.

3. That he will offer as additional security the Rope Making plant and the building in which the machinery ~~is installed~~ is to be installed, worth Rs.6,000/-.

The report of inspection submitted by the Superintendent of Industries, Bangalore, regarding the Rope Making plant offered as security, and recommending the sale of the Wool Spinning Plant to Mr. Sadudeen is enclosed for perusal of Government.

Having regard to the present depression in business and to the fact that the machinery will further deteriorate in course of time, I am of opinion that the price of Rs.3,600/- and the terms offered for the Wool Spinning Plant by Mr. Sadudeen may be accepted and the plant sold to him on the conditions stated above. He and his brother Mr. Mahomed Ghouse possess experience and are capable businessmen, and are likely to work the Factory successfully, which would also relieve to some extent the unemployment question in Bangalore.

I may mention that Mr. Sanjeeviah had come to me and represented that the plant should have been sold immediately it was seized, that the long delay in doing so was a handicap in getting a good price as the machinery would have deteriorated, that he could not work the scheme as the Department had not given him the working capital which they have promised to do, and that he cannot be held responsible for the losses etc., but I do not think there is any substance in any one of these contentions.

I request you to kindly obtain orders of Government on the above proposals and communicate sanction at an early date to enable me to deliver the plant to him and take needful action.

Out of the sum of Rs.1,000/- to be now realised from the sale of the plant, a sum of Rs.271-7-8 will be adjusted to recoup the watch and ward expenses and advertisement charges till now incurred.

Watch and ward from 6-9-1933 to end of April 1934	..	Rs.204-6-8

I shall submit proposals in due course for writing off the irrecoverable portion of the arrears in the loan account.

Submitted:-

I inspected Mr.S.Mohamed Ghouse Saheb's Rope Works which is situated behind the City Railway Station and beg to report as hereunder:-

1.He has installed two motors of 5 H.P. one cotton willowing machine and 1 tape making machine.

2.He is purchasing waste cotton from the local mills, willows it and prepares cotton ropes and tapes of all sizes and supplies them to the local mills and is also selling them in the market. He manufactures about 400 to 500 maunds of ropes and tapes per month.

3.He wants to purchase seized wool spinning plant of Mr.Niligiri Sanjeeviah and prepare yarn and weave woollen bandages for which there is a good demand in Bangalore. For the present woollen bandages required for the Military and the Police is all supplied by the Cawnpore Mills. He is offering Rs Rs 3,600/- for the plant of which he is prepared to pay Rs 1,000/- ~~for the plant of which~~ in cash and the balance of Rs 2,600/- in 5 yearly instalments. He is prepared to mortgage his rope factory consisting of 2 motors of 5 H.P. one willowing machine and 1 tape making machine, one big go-down and fairly two big houses. This property might be safely estimated for Rs 6,000/-. Hence there is enough of security for the loan of Rs 2,600/-. Mr. Hajee Sadudeen Saheb and his brother Mr.Mohamed Ghouse seem to be good business men and they are in cotton industry for the last many years. From their talk, I understand that they have the capacity to make good use of the plant and they may be benefited by it. In consideration of the above facts I am of opinion that the plant might be sold to them in its present condition for Rs3,600/ I herewith submit his application with an earnest money of Rs200/-.

Director of Industries and Commerce in Mysore,

To

Secretary to the Government of Mysore,

SIR,

Loan account of Mr. Nilgiri Sanjeeviah - Domestic Wool spinning plant.

With reference to your letter No. D. 134/I & C 303-34-2 dated the 6th July 1935 on the above subject, I have the honour to state that I have inspected Mr. Hajee Sadudeen's factory and am confident that if he purchases the wool-spinning plant, he will work it with success. I have arranged with him to give the young muslims at Malleswaram who had petitioned the Dewan recently for starting an Industrial School for training them, facilities for industrial training in the wool-spinning Factory proposed to be established by him. I have also persuaded Mr. Hajee Sadudeen to take the plant by paying the full amount of Rs 3,600/- in cash instead of in instalments and he has agreed to it. As already recommended in my letter of even number dated the 4th May 1935, the wool-spinning plant with all its accessories seized from Mr. Nilgiri Sanjeeviah may be sold to Mr. Hajee Sadudeen as his offer is better than that of Mr. Anantharamiah by Rs 100/-.

As regards the recovery of the balance of loan due from Mr. Nilgiri Sanjeeviah, I may state for the information of Government that the loan granted is one under Hire Purchase agreement and no properties of the loan-holder can be proceeded against other than the machinery specifically mortgaged as security for the loan. I shall submit a separate report as to the amount to be written off in respect of his loan account.

I request you to kindly obtain early orders of Government on my proposals for the sale of the wool-spinning plant to Mr. Hajee Sadudeen.

I have the honour to be,
Sir,
Your most obedient servant,

Director.
